

CHILD SAFETY STATEMENT

Bangarra Dance Theatre acknowledges the United Nations Convention on the Rights of Children and works to uphold the ten National Principles for Child Safe Organisations. (Australian Human Rights Commission 2018)

We are committed to the safety and well-being of children by creating and maintaining a child safe organisation, where children are protected from all types of abuse and/or trauma.

Our commitment to Child Safety extends to creating and maintaining a culturally safe space for Aboriginal and Torres Strait Islander children.

These commitments are instrumental in how we plan our programs, engage with young audiences and support all young people who participate in our learning activities, and are underpinned by relevant policies, procedures and risk management plans.

This Child Safety Statement applies to all employees, contractors, secondment and intern individuals and casual staff working at Bangarra Dance Theatre, in our studios, online, and in the theatres and venues where we perform.
